Our mission is to drive business intelligence about the public sector and provide visibility to all.

Our vision is to create a business environment that fosters seamless communication, collaboration, and transparency between the private and public sectors.

We value integrity, transparency, and quality.

is a dashboard that cohesively correlates budget data, deadlines, contracts and process owners.

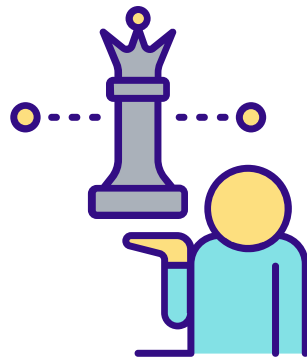

Challenge	Solution
Where to find and how to understand executive branch budget data across multiple websites and resources.	A data and BI platform clearly linking relevant budgetary information in one, visually engaging and easy to find place.
Where and how to locate executive state government contacts and the teams they lead.	Searchable profiles and content for the executive leaders and the programs they lead.
Where to find and how to understand government spending, competitors, and contract deadlines.	Timelines that show the key budget events, with searchable contracts and real-time budgetary details all in one, visual, and easy to find place.

A trip down memory lane?

We've got you covered. This graph displays the overall budgets and the amounts disbursed and remaining for prior fiscal years. To view the numbers, hover over any red or green area of the graph.

Nice job! Now you're an expert!

You've successfully completed the **MyGovGuide Welcome Tour**, but that's not all. Now that you know how to view all this information, it's time to find out just how much you can do with it. We've created a few in-depth **training tours** to help you maximize all the new info, and you'll be able to view them in a checklist on your dashboard. Have fun!

Begin the first training

Are we speaking your language?

You may have noticed the handy little book icon at the bottom right corner of your screen. That's **GovSpeak**, and it holds a bunch of **deciphered government terms** to help you navigate the world of state government with ease. Each one includes the government definition and a second, more direct and easy to understand definition. Now, that's the good stuff.
