

my GovGuide®

Information, Simplified.

What is MyGovGuide?

What We Are:

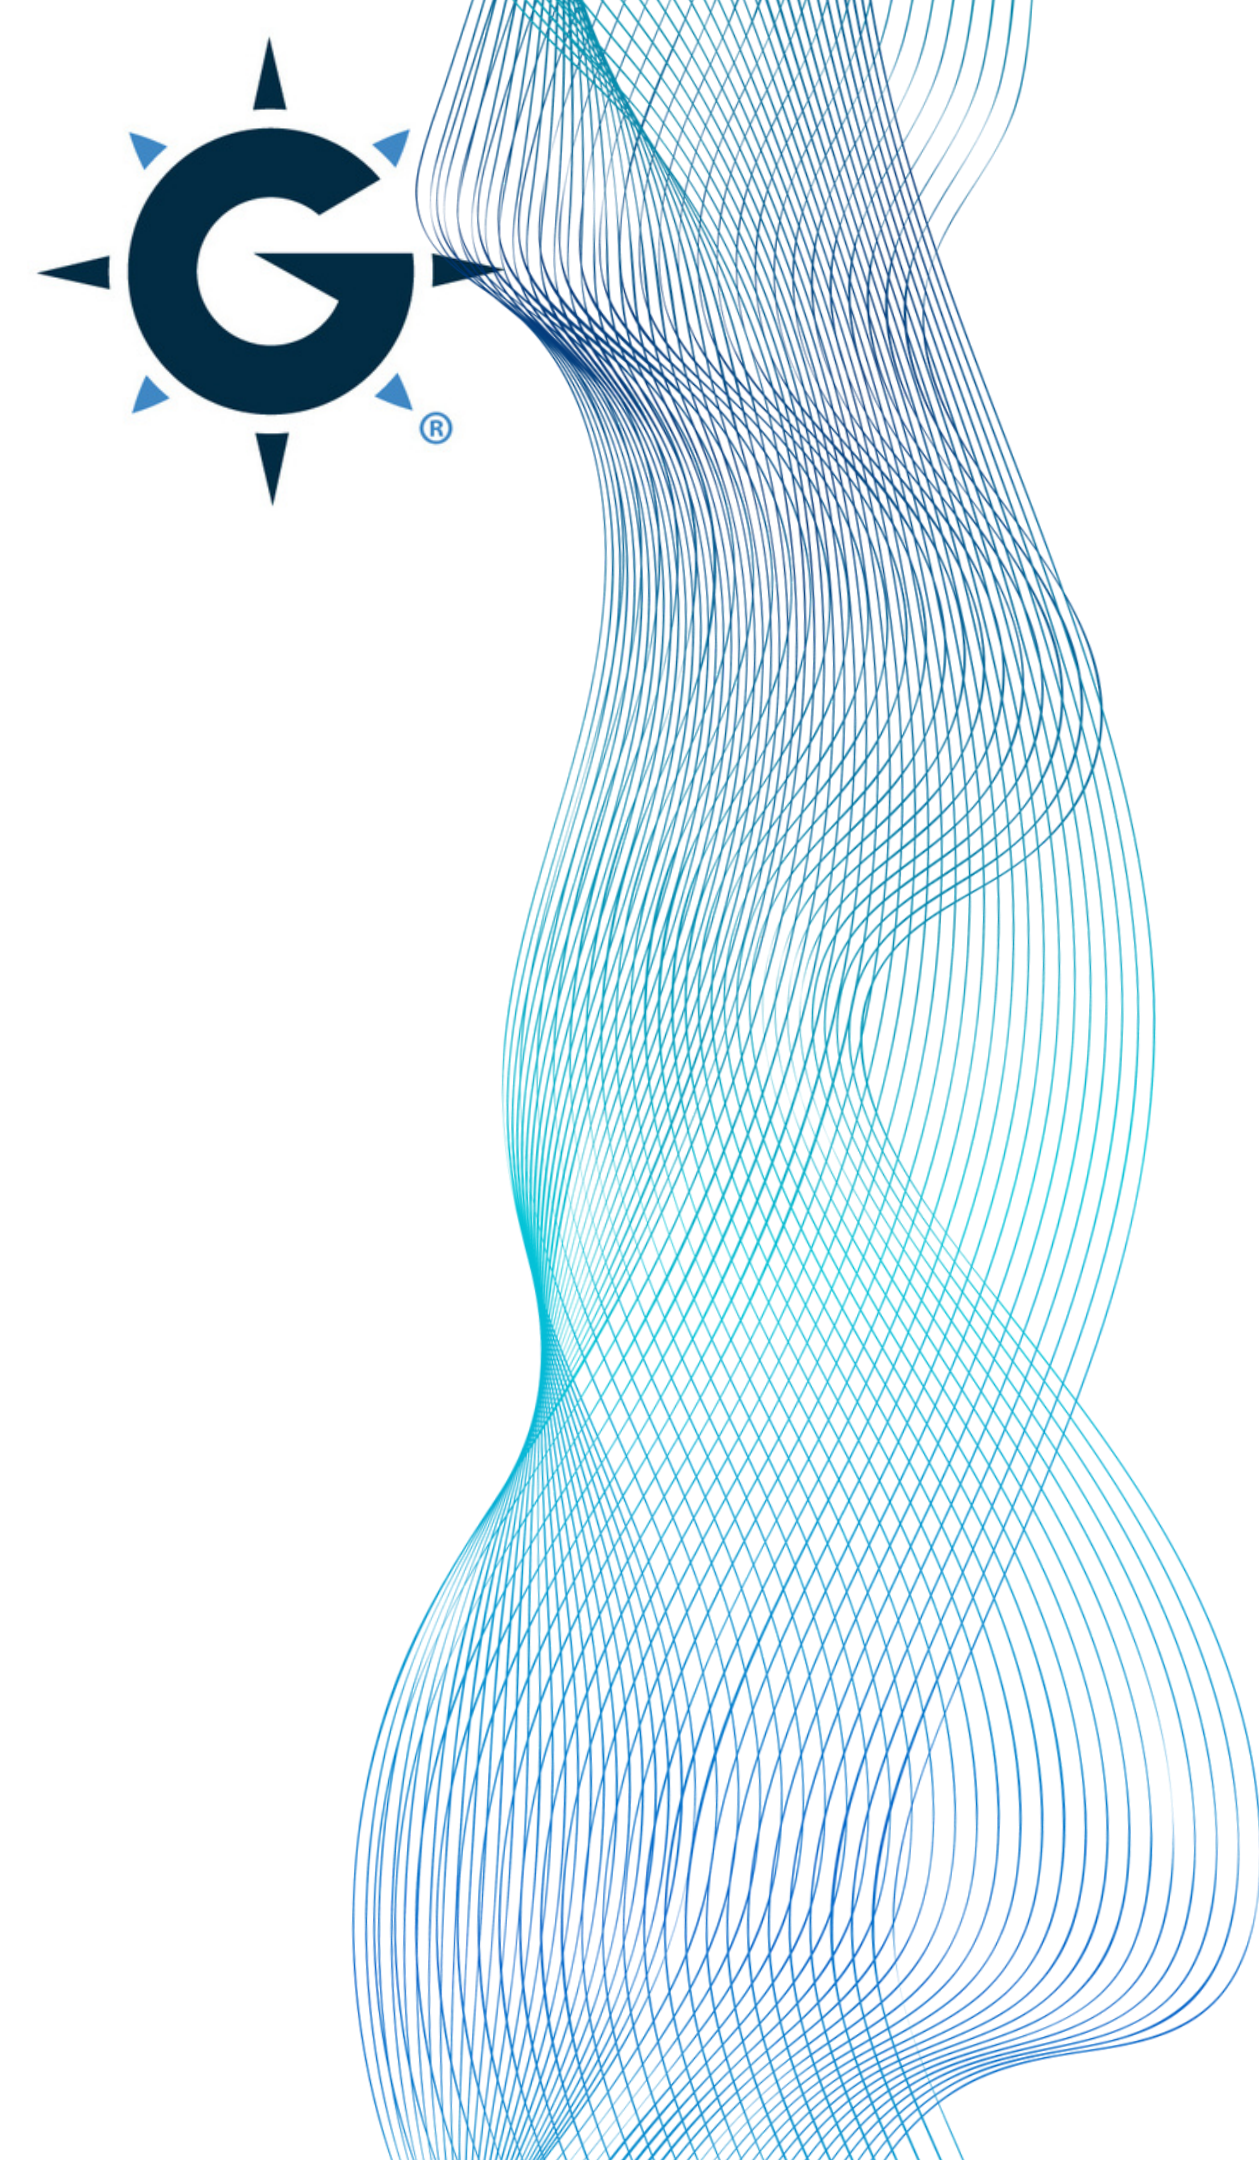

We are subscription based platform that uses the power of automation to bring you all the state government data need. Not only does it bring everything to one spot but it connects the data in a clear interlinked way.

Who We Are:

The team is built on past leaders in Florida state Government, budget experts, and tech enthusiast who were able to take all the data provided by the state and tie it together in a meaningful way to provide insight and value for users.

Our Goal:

We aim to provide transparency into the Public Sector to help create a fair and level competition in procurements and bidding process in the state of Florida.
